The Dr. will take with him the respect and good will of all who know him. The community to which he goes may be proud of their acquisi-

HARDIN COLLEGE. -The closing exercises of Hardin College will begin June 7th prox, and close on the 13th. President Terrill has been petitioned to change the time of commencement of exercises from day to night, so that his store broken into last Tuesday many of our business men and patcures all diseases originating night and \$200 worth of goods taken rons of the school, together with persons of learning and distinction from a Dien .- Mrs. Agness Brown, distance who will be attending circuit mother of Mrs. H. Rodman, aged, court at the time might have the pleasure of witnessing the exercises. A very slight reason is all that is offered by the President for refusing to comply with the wishes of the public and patrons of the institution.

THE FIRST MAN WHO NOMINA-

One of our Danbury lawyers was in his office Saturday reading the political news from Louisiana, when a visitor entered. The new comer was

made and when the Mandamus is re- quired the legal gent in a testy "I would like to borrow a quarter from you to get something to eat,"

"Well, what do you want," in-

on tramps." "Tramp!" exclaimed the stranger indignantly. "I ain't no tramp. Perhaps you don't know who I am?"

"No, I don't, and I don't care." "You don't care, ch? Let me tell you, sir, that the party you address is not the party you think you address.

" Ah!" said the lawyer derisively "No, sir," said the stranger. "I am the man," he added, drawing the Presidency." The words were scarcely out of his

mouth when he became aware of being ceedingly fond of "fishing," one of seized by the collar, turned around are doctors has become, recently. It and propelled out of the room by seems also to be a fact, that the route vigorous kicks, while an indignant "Oh, you are the scoundrel that
